City of Coopersville

The City of Coopersville is a rural-suburban community located midway between the Grand Rapids and Muskegon metropolitan centers. On January 1, 1967, Coopersville became an incorporated city with an area of five square miles. Today, approximately 50% of that area is developed; the remainder is zoned Agricultural.

Coopersville has grown at a moderate rate over the years and projections indicate a continued increase of 1.5% to 2% annually in the next decade.

First "Save" for Coopersville Defibrillator

Last week, during a Coopersville home wrestling match against Rogers, Kevin Purcell, 41, of Coopersville suffered a sudden heart attack, while watching his sons participate.

Fortunately for him, two emergency medical technicians from Wyoming Rogers and an Ottawa County police officer immediately performed CPR to provide his major organs with life-supporting blood and oxygen, but his heart would not beat on its own.

Thankfully, Coopersville High School had an automatic electronic defibrillator (AED), a machine used to shock the heart, right on the premises. Within minutes, the machine delivered the shock necessary to restart his heart. When the Coopersville/Polkton Rescue Unit arrived on the scene, they were able to stabilize Purcell before he was transported to Spectrum Hospital.

"Mr. Purcell had a Class I heart attack, which means that his heart had stopped and the chance of reviving him was very slim," said Rescue Unit Director Joe Rogalla. "In situations like this, we are talking about minutes for determining the outcome for the victim. I can't stress enough how very important it was that he received CPR right away but the fact that he also received a shock from the defibrillator within 4 minutes, increased his odds for survival tremendously."

Coopersville High School has an AED in the building because of a generous gift from the Coopersville Area Youth Advisory Committee (CAYAC), who donated \$2,000 for the \$3,000 machine. The Ottawa Chapter American Heart Association covered the remaining amount through a cooperative grant.

"I am convinced that quick thinking, early initiation of CPR and a shock from the AED machine is what made the difference for Mr. Purcell," said Ottawa County Sheriff Gary Rosema, who is on the board of directors for the Ottawa County Chapter of the American Heart Association. "It's referred to as the chain of survival. Every step is important."

Purcell survived his heart attack and on January 16 he underwent open heart surgery. According to family members, he was released from the hospital on January 21 and is recovering well.

Coopersville school administrators have said they would like to eventually have another AED placed in the Junior High Building to have a machine more centrally located on campus. Any individual or organization that would like to donate to the cause, may contact the Coopersville Administration Office at (616) 997-3200 for more information.

Armed With Faith

This year marks the 100th anniversary for St. Luke Lutheran Church, at 11261 South St., in Nunica. Rev. William Lahrman and his congregation invite the community and surrounding areas to celebrate with them throughout the year.

The history of St. Luke Lutheran Church begins on April 20, 1902 when seven families gathered at the home of Edmond and Sophia Werly. Rev. Carl Huth, Pastor of Trinity Lutheran Church in Muskegon, held services. As the congregation grew, services moved to the Taylor School, where sermons were often said in German. The church then moved southwest of Nunica to the no longer existing Spoonville Chapel. From there it was moved one block south of the present church, to the former Congregational Church.

In 1912, under the direction of Claus Erhorn, members erected their own church-home on the site next to where the present church stands. A frame structure was completed and dedicated that fall.

In celebration of their faith, the church will have a free will Christian concert on Saturday, Feb. 2, at 7:00 p.m.

Singer, song writer, composer, instrumentalist, David Paul Britton will lead all in the message of Christ in Word and Song. This original contemporary Christian music concert is for the whole family.

IN BRIEF

State lawmaker not sure if Enron made contribution

State Rep. Barb Vander Veen (R-Allendale) said that she doesn't know if her campaign received a contribution from the bankrupt Texas energy company Enron but said if she did, she will send it back -- if she can find where to send it to.

Vander Veen's name, along with several other elected officials from the area, was on a list published last week as having received contributions from the defunct energy giant's Political Action Committee (PAC).

When contacted last week, Vander Veen said

2001 Season Murder Mystery Dinner Train

Deadwood Productions and the Coopersville and Marne Railway are up to their antics again! The **Murder Mystery Dinner Train** is gearing up for its Spring/Summer season. "*And the Fat Lady Sang*" runs May 5, 12, 19 and June 2 followed by *Voted "Most Likely To Die"* (a class reunion that everyone is "dying" to attend) on June 9, 16, 23 and 30. See below for other murder mysteries scheduled. A full buffet awaits your dining pleasure as you help solve the latest mystery while enjoying your ride on a vintage passenger train. Tickets are **\$32.50** per person (all inclusive) and reservations are required in advance. Pull your trench coat out of mothballs, dust off your detective hat and jump on board...there isn't a moment to lose!

Guests become "detective trainees" as they enjoy dinner and a mystery aboard a vintage passenger train. All mysteries are **AUDIENCE PARTICIPATORY**. After dinner, passengers meet their lead Detective who tells the details of the crime known thus far. Then, the suspects are introduced and throughout a course of scenes, passengers question the suspects in hopes of discovering clues that will help them solve the mystery. In the end, passengers make their individual decisions as to who they think the guilty party is and a prize is awarded to one of the guests who solves the mystery correctly. Mystery, adventure, intrigue, a host of wild characters, fine food, fun and excitement...all while enjoying a leisurely trip aboard the **Coopersville & Marne Railway!**

Deadwood Productions is the ticketing agent for Murder Mystery Dinner Trains. Call 1-231-759-2434 for information. Reservations are required and can be made by sending a check or money order made out to Deadwood Productions, 1256 Montgomery Ave., Muskegon, MI 49441 (sorry, we don't accept credit cards). Include the performance date and number of tickets on the information line. A confirmation card is sent upon receipt of payment. Tickets will be held at the train depot in downtown Coopersville and may be picked up after 6:15 pm.
